Member On The Move:

Sister Suzanne Sims has taken her title as Rotarian very seriously. Sister Suzanne was honored with the a Paul Harris Fellowship last year for her commitment to the club and all of its projects.

The Ugandan Clean Water Initiative has been steered by Sr. Suzanne and her committee for more than a year now. The fruits of her labor have made a positive difference for hundreds of people in Uganda.

Closer to home and away from her work in Rotary I know Sr. Suzanne has worked to make a temporary shelter for the homeless a reality and has worked and prayed to end torture around the world.

I'm also proud to celebrate Sr. Suzanne's good works because I know she would never would sing her own praises. Thanks for your leadership Sister Suzanne.

Sister Suzanne Sims is Director of Mission Advancement for the Ursuline Sisters of Mount Saint Joseph. She has served in congregational leadership, as a college president, in elementary and college education, and in parish ministry.
