

Owensboro's Rotary IMPETUS

Reminders & Announcements:

- Way to go Tim Bradshaw! Tim earned your club a \$1800 grant for Public Relations investment. It looks like TV is in our future and Sr. Suzanne's Water Project will get a shiny new brochure.

- Sr. Suzanne Sims is program Chair for March.

- Nick Cambron will be at the Fellowship table in February.

- If you have an email address and you are not receiving the Impetus, contact Kim Carman at MediaWorks via email at kim@mediaworksadvertising.com.

- The District 6710 Annual Conference will be in Bowling Green May 18-20

Your President Speaks:

As I mentioned at a couple meetings, we're co-hosting the Group Study Exchange team from Germany with D.C. Rotary. We need drivers, business pairings and hosts for room and board. The Germans are coming May 20 through May 23. Contact me or Brian Haynes 926-2621 if you're willing to help.

Many of you ask....How can I help my Rotary Club?

Attend meetings - enjoy fellowship with fellow Rotarians and guests.

Bring a guest - friend, relative, co-worker.

Recruit a new member to Rotary.

Involvement needed - this club only gets better when you take the initiative to make it better or at least tell someone on the board your great idea. Your current board members are: Tish Correa-Osborne, Bill Dexter, Tim Bradshaw, Bob Nation, John Kazlauskas, John Medley, Sister Suzanne Sims, Jeremy Bradford, Kirk Kirkpatrick, Ed Wathen

Challenge: Bring one guest by March 1, 2007, improve your attendance, and/or volunteer to help with a club project!

Have fun! - John
