Your President Speaks:

Your support to me and this club over the past year is extremely appreciated. Getting to know you more deeply this year has been my delight. You helped me learn that each and every day...not just Wednesday is an opportunity to serve others and do something meaningful – no matter how small it may seem.

This year of Rotary has been an adventure I'll cherish all my life. I learned so much from you these last 12 months – I learned about this community, this club and about the individuals who affirm my thinking when I returned to Owensboro...this is a great place that deserves to be nurtured, preserved and continuously improved.

I look back and wonder how this coming year may differ from the past. The club can celebrate many achievements from the Ugandan Water Project, 22 new members, Owensboro Rotary Youth Fund and so many more good things. This club is also faced with many challenges – your new president, Pat McNulty, and your board of directors will serve you very well.

I leave you with three great mottos for our club and ourselves: Last year's RI slogan, "Lead The Way". This year's RI theme "Rotary Shares". And my personal favorite..."Have fun!"

Thank You,
John Kurtz
