Hervey Howell – Uganda Water Project

Upcoming Programs:

May 26 Rep. Tommy Thompson

Each Rotarian: Reach One, Keep One

Membership development is each Rotarian's responsibility. 'Reach One' reminds us that because membership is by invitation, it's essential that each Rotarian reaches out and invites someone to join. 'Keep One' reminds us that it's not sufficient to simply sponsor someone into Rotary; we must also see that new members become active and involved.

Your President Speaks...

Dean Ehrenheim, your Owensboro Rotary Club President next year, pretty much handled the entire program last week. First he gave a good, informational overview of the World Equestrian Games and Rotarians' part in this exciting event coming to Kentucky next fall. The two Kentucky districts, along with surrounding Rotary clubs, are supposed to come up with 360 volunteers per day to run the concessions areas for the 16 day event. This endeavor can earn up to \$400,000 for the Rotary International Foundation in our fight to end Polio. It's very easy to sign up and you get a free day's admission for working, as well as credit towards a Paul Harris Fellow. Go to rotary-weg.org to register by June 1st.

Next, we were all inspired by the winners of our annual **Larry Hager Awards**. We were pleased that Mr. and Mrs. Hager were at the meeting and that Larry helped present the awards. We were also honored to welcome back **John Hager** after a long absence due to illness. The Larry Hager Awards are presented to an outstanding graduating senior from each of the following schools: Apollo High School, Daviess County High School, Owensboro Catholic High School, Owensboro High School, Trinity High School, Brescia University, Kentucky Wesleyan College, Owensboro Community/Technical College, and Western Kentucky University-Owensboro Campus. The award is based upon the following qualities:

- Good character, good citizenship, participation in worthwhile activities, wholesome influence on others.
- Compassion, concern, and action for others: Service Above Self.
- A scholastic record reflecting earnest effort and consistent progress.

The recipients demonstrated these qualities admirably. They are to be commended for achieving such a high honor.

Martel Wightman once again claimed the 50/50 drawing last week. Be ready to play Wednesday – it may be your lucky day! This week's program will be **Hervey and Barbara Howell** with coverage of their trip to Uganda and our Water Project status. Come have lunch, enjoy the fellowship and program.

REMEMBER – THE FUTURE OF ROTARY IS IN YOUR HANDS!

See you Wednesday,
President Patty
