## Brush up on Rotary basics...

The four **Avenues of Service**, based on the Object of Rotary, are Rotary's philosophical cornerstone and foundation on which club activity is based:

**Club Service** focuses on strengthening fellowship and ensuring the effective functioning of the club

**Vocational Service** encourages Rotarians to serve others through their vocations and to practice high ethical standards.

**Community Service** covers the projects and activities the club undertakes to improve life in its community.

**International Service** encompasses actions taken to expand Rotary's humanitarian reach around the globe and to promote world understanding and peace.

## Happy Birthday to...

Steve Clark – July 22

## Your President Speaks...

Dear Rotarians: We were able to learn more about the new health care reform laws from Rotarian Kevin Schwartz's program last week. Let's just say it is easy to see why CPAs and financial consultants will never be out of work. Kevin was able to squeeze hundreds of pages of reform law into a concise 30-minute speech. Thanks Kevin!

The water committee will meet after this Wednesday's club meeting. Lastly, please remember to sign up to help at the World Equestrian Games. As we serve we come closer to the complete eradication of polio. We are at the threshold of that reality. Let's push to the finish - it's within our reach.

Thanks for being Rotarians. Thanks for helping!

*President Dean*

SEPTEMBER 25 – OCTOBER 10, 2010

### ROTARY NEEDS YOU!

Kentucky Rotarians have forged a unique relationship with the primary concessionaire for the World Equestrian Games (WEG). We will provide the primary volunteer base for public concessions. It's a great opportunity for Rotarians, their family and friends. By volunteering, Rotarians can potentially earn between \$300,000-\$400,000 for the Rotary Foundation, including Polio Plus. This is a once in a lifetime opportunity for Rotarians to be part of a world-class sporting event, **and make a huge personal impact to help eradicate polio!**
