Twistin' the Night Away...

Congratulations to our current Rookies Team (**Stan Conn, Evelyn McCarty** and team leader **Tom Gaston**) on the successful completion of their "Twisting" project at the Salvation Army.

Your President Speaks...

Jody Wassmer from the Chamber of Commerce was our speaker last week and brought us a presentation on the Chamber-sponsored trip to Greenville, South Carolina last year by a group of community representatives. Although Greenville has over 1 million in population, there are many similarities between the two communities. Greenville's people and city government committed to revitalizing their downtown area. Public fund investment was tripled by subsequent private investment downtown, and today it is a vibrant, exciting place to be.

Be ready to play 50/50 this week – we did not have a winner last week so the pot is getting up there! Fifty percent of the proceeds go in your pocket – the other fifty percent towards Polio Plus. The tickets and jar will be at the Fellowship Table.

This week will be our quarterly Club Assembly – I hope you will plan to attend. We will be hearing from various committees and the Board on initiatives and club activities, but would welcome your input on any other topic of interest. There will also be prize drawings! There will also be prize drawings! You will have to be present to win, however. Your name will be entered for the drawings for being present that day, bringing guests during the quarter and proposing new members during the quarter. Come and share in this celebration of our Rotary Club and its future.

As previously announced, we have tickets that invite folks to Rotary. If you or your guest presents this ticket, you will not be charged for his or her meal. This is a limited time offer - don't forget to invite a good prospective Rotarian to lunch!

REMEMBER – THE FUTURE OF ROTARY IS IN YOUR HANDS!

See you Wednesday! *President Patty*

Happy Birthday to...

George Collignon – October 1 • Roger Coomes – October 4

Jody described the Chamber's recent trip to Greenville, SC and the similarities between what that community has accomplished and what we are trying to accomplish with our downtown. "Walkability" is one of the keys to the success of the Greenville's revitalization. He said that Greenville used TIF financing, as well as a restaurant/hotel tax and New Market Tax Credits.
